Rugby League is a sport enjoyed by thousands of boys & girls in the UK, however it is important to point out that Rugby League is a contact sport and although every effort is made during training and playing the sport it is possible that your child might be injured.

Scarborough Pirates have qualified First Aid staff and child welfare offices available during all training and match days and every precaution is taken to make Rugby League as safe as is practically possible for young people. **Scarborough Pirates can not be held responsible for any injury caused whilst involved with Rugby.** All members of the Scarborough Pirates Junior Club are cleared by the CRB process, child welfare and safety is the highest priority at our Club

By signing this you the Parent or Guardian accept and agree to the declaration above.
